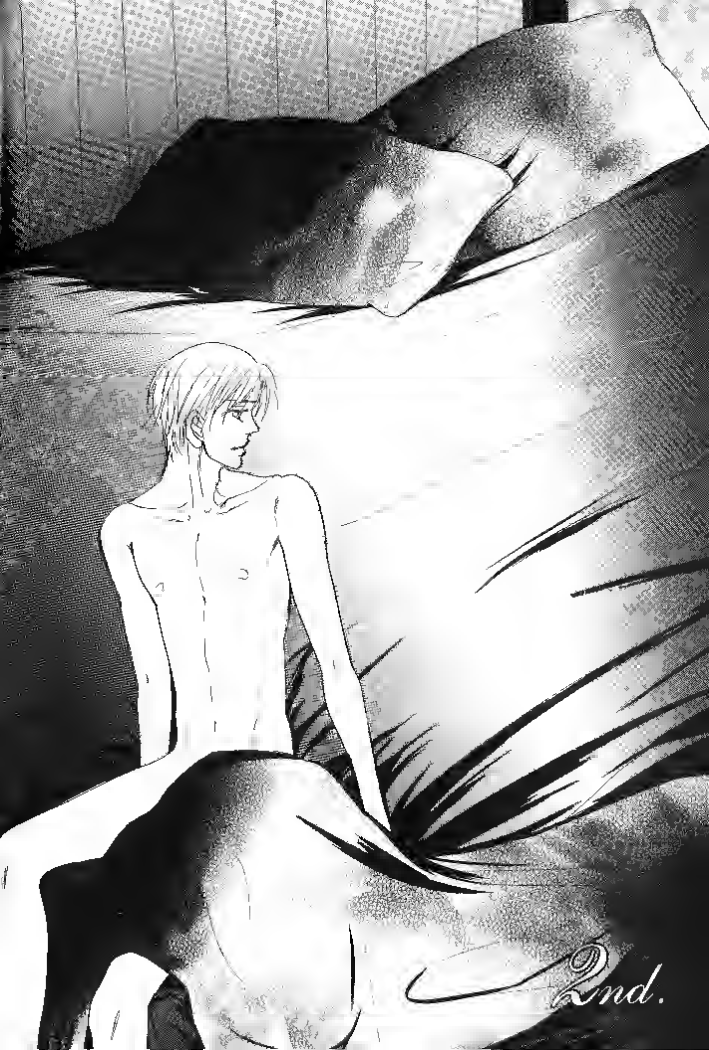
2nd.
cough
I'm thirsty
creak



2nd.

Where is,
Chizuka?
-The profile,
That I like

What is it, Can't you sleep?
I'm a little thirsty.
I...
Just got up, too.
Liar.
The sheet was cold.
Yes.
sfx: water pours
Since when has he been up?
What was he thinking about?
The water is in the refrigerator.
No, tap water is fine.
Chizuka,

Do you think
About other people?
Well, well
Yes,
Good night
Good night
They seemed close
Ah
Are they simply friends?
What did they talk about when they met at noon?
It didn't look like that
I thought that Touji was tired of men
Chizuka spoke English well…
That guy was good at Japanese too
They say that it's easy to learn English when you go out with a foreigner

Now-!
I have to sleep soon
Don't think about it!
Ah ah ah ah ah...
open
sfx: roll over
sigh
I left my package here.
A package what's inside it?

Good morning
Are you going to work today?
Have breakfast.
I'll be leaving now.
If he is my rival...
I can't win against him...

It's too early
Ah, look
I was going to go home and change my clothes ..
You have clothes here
What?
They're here?
What do you mean?
From here to there are your clothes

The sewing is clean—
The fabric is high quality
I can't imagine how much it is
There are so much
He bought it all
I'll take you to
Take your pick
I'll just go home.
I have to take out my trash!!
I need other things, too.
You don't have to take me there by car.
Takashi.
I'll take the subway.

Are you going to come back tonight?
Yes.
I'm leaving.

He baught it?
For you?
Yeah.
Probably
Thank you for this meal
He really is a sleeping princess.
He really loves you.
This is amazing
Why are you so depressed?
That he prepared clothes for me.
Of course I'm thankful,
Frankly, I can't be happy about it…
sfx get up
Mm
Let's stop
I'm going home to take my trash out and go to work
Stop thinking and move!

That's why I said that you should go out with me
You're so open minded
Kaji, you really know everything
All you have to do is take them in
You don't have to care about the little things

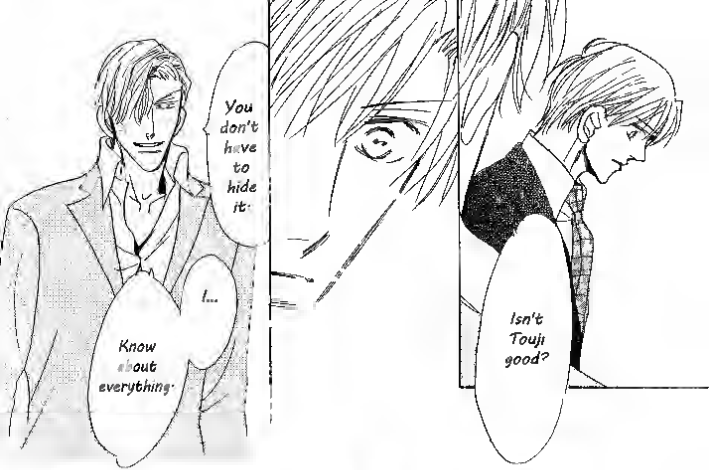
My sleeping princess is…
Somebody who is beyond my grasp, a worldly person
But,
He is my lover now
Sfx: vrooom
부릉
Namihira?
There are cheaper ones here
Namihira is really
Why do you have a date?
Ch zzaka
¥6000

It seems like we're fated to meet each other.
...Ah.
Why... why did you come today?
Sagashima was busy, so I came to shop alone
I should go back to England and think about it
A castle?!
What? Castle?
It's a huge task to maintain our castle alone.
The color is nice.
House hold?
If I didn't have to inherit my household, I would open a tailor shop...

…Touji…
Yes
—Didn't you hear anything from Touji?
You mean castle castle? Castle?
Old and big, that…
Nobles lives in…
…Yes…
He has a beautiful profile. White skin and blond. Blue eyes.
An asian can't win
We have the same grandfather, but,
His grandmother is Japanese. She passed away early, so I never met her.
Touji started going to a school that our family manages. I met him there

I went to a school with a dormitory for a long time.
I was the only one who had no visitors and who didn't go back home in the holidays
Chizuko.
England...
Castle...
My grandfather died a few years ago, and my father inherited the castle and the title
Is it like that in Japanese?
...N-nobleman...
It has a lot of history, I have to act dignified to carry my surname
I will be the head of the household someday.

He really was a princess…
Didn't you know?
Touji's eyes are…
Deep gray, right?
He takes it from his grandfather, Sir Gray.
Chizuka's hair and eye color.
I thought he had light pigments…
And,
To guys and girls
He was known for his eyes
When he was a student,



You don't have to hide it.
I... Know about everything.
Isn't Touji good?

You're late

Let's do it.
Did you eat?
Do you want to go outside to eat something?
Chizuka,

What is it?
Are you already hungry?
Little prince
Yeah
I'm not a prince.
Somebody like me is not a prince.

Mm
Isn't he good?
Hmh
Chizuk···Hurry···
Put···it in···

It's going to hurt,
Wait a minute.
No, please put it in…
I'm asking you…
It's okay even if it hurts
Now…
I want to have it.
It's okay,
If I'm broken…

I want to hurt and feel the pleasure
Please break me ··
Please make me hurt·
sfx. creak
Ugh
Uwa!
So I can't think about anything else

Mm
Ice
crash
It's cold
It's yummy.

kiss
You cried a lot.
The ice..
Yes? Yes?
I thought that it was going to last longer.
From up here and down there, you're all hot inside.
Ah

What is it?
Yeah
Look
I am going to go home before the subway closes
I knew that
I have to leave early tomorrow
I really wanted to see you today
I promised you that I'll come back at night, too…
Somehow,

What is it?
Yeah
Look
I am going to go home before the subway closes
I knew that
I have to leave early tomorrow
I really wanted to see you today
I promised you that I'll come back at night, too…
Somehow,

I wanted to see you
To hear from you.
... Chizuka is good at sex.
To put aside my problem and ask a stupid question like this..
But,
Look,
You didn't have much experience with men. How many has there been?
It's not one, is it?
If it's one..
If he says that it's one.
Don't go.

…Chi—
Chizuka·
That's…
Keep staying here
With me
Let's live here together·

What kind of talk is this?
Sweet talk between lovers?
A cheap life isn't good for you
Chizuka…
It's your loss if you shrink back because the room is too big
Get out of an apartment like that.
Get used to this atmosphere
Let's spend noon and night here, everyday together.
Here,
Together, with Chizuka…
With two of us.
It's best for you to get used to a high class atmosphere
For the work that you're doing,
What is he talking about?

Hey
What are you talking about?
A life like that has no value.
So don't think about it too much.
Chizuka.
Don't get used to your living arrangement.
Until you naturally move here,
That's the thought of someone who has everything.
Get used to this and forget about it.

That's why I'm telling you this.
I'm intimidated?
I overreact?
Live here.
You'll get used to it soon.
If it's that person…
…I'm not worthy…
He wouldn't argue back like this.
Frankly the worlds that we live in are different…
Aren't the people who can manage this the people who are blessed?
Anybody would get nervous
Yes
I can't watch you always being intimidated and [illegible] everything.

Like that
He was looking at me,
I can't.
I'm not like your friend who came last night
If you like him, do you want me to introduce him to you?
He··
He's cool···
Blonde hair and blue eyes. He's graceful. He's like a real prince.
Would probably fit in this place if he was here.

As I thought, he did it with him.
He's good at sex.
How many people were there?
Isn't Touji good?
There's still the subway, So I'll go home today
Maybe...
It was his first love?
Hey
I don't like it
I'm nervous because it's too big here.
But, I'm sorry,

I can't sleep well,
On Chizuka's bed
